# ONLINE REFRESHER COURSE ON ASTRONOMY AND ASTROPHYSICS 2023

Last date of registration: 15th April 2023  
Starting date of refresher course: 15th May 2023  
Ending date of refresher course: 16th June 2023

The online refresher course on Astronomy and Astrophysics will be conducted by leading experts in the field covering some of the basic topics along with recent developments and the emerging areas in the field. This is essentially meant for faculty members of higher educational institutes. Post-doctoral fellows pursuing a career in Astronomy and Astrophysics may also apply.

Those wanting a certificate of participation, especially faculty members as part of their overall academic requirements, will be assessed via online processes. Only those with a satisfactory performance will be issued a certificate.
