	Total			
	Optional warranty for II, III and IV year			
	Total			

Special Instructions to bidders :

1. The bidders should supply a “**Compliance Report**” for the items – 1 & 2 as per the attached format.
2. We prefer both of the items 1 & 2 from a single manufacturer to ensure their compatibility & connectivity, provided they are L1.
3. In case products from the different suppliers are L1 for the Items – 1 & 2, system integration of the Items-1 & 2 have to be within the scope of the bidder.
Here, the mentioned system integration includes, transferring stability of the “Ultra-stable Hz-laser system” to the optical frequency comb and synthesizing the clock laser’s frequency using the stabilized optical frequency comb.
Bidders are requested to quote charges for the system integration (if any) separately with their submitted quotations. Finally, IUCAA will have right to choose the system integration at the time of placing the purchase order.
4. **Onsite Installation and Training** of the systems need to be provided. If it is chargeable, bidders need to quote cost for the same. Finally, IUCAA will have right to choose the same at the time of placing the purchase order.
5. All systems to be operational using Indian power standard, or necessary adapters need to be supplied.
6. All software and manuals should be in English language only.
7. **Warranty** : Bidder should quote the items with at **least one-year Warranty** starting from date of satisfactory installation and acceptance of the system by IUCAA.
Optional Warranty : Bidder should quote cost for extended warranty in year II, III and IV, finally, IUCAA will have right to choose the same at the time of placing the purchase order.
8. In case supplier have supplied similar items to anywhere else (India or abroad), bidder is requested to provide the order copy of the same.
