December 17 - 21, 2007

International Conference on Gravitation & Cosmology

Themes

Cosmology

Gravitational Waves

Quantum Gravity

Black Holes

The ICGC meetings held under the auspices of the Indian Association for General Relativity and Gravitation aim at bringing together active researchers in the field to take stock of the state of the art in Gravitation & Cosmology, chart out promising future directions as well as offer younger researchers from the Indian academia an opportunity to interact and exchange ideas with experts from within India and abroad.

The conference will consist of plenary lectures by senior scientists/experts, with parallel workshops and poster sessions.
